Handmade Signs Disclaimer: The product(s) you receive may vary slightly in size and shade from the picture due to the nature of handmade wood signs. All stain colors may vary slightly. Please be aware that wood naturally has defects. There may be knots, wood grain, cracks, missing chunks, and natural imperfections in your wood. Many of our signs are given a distressed finish which may vary from sign to sign. This adds to the character of your piece and makes it unique to your customer. We hope you love our signs as much as we do!
