

Be prepared for the new normal.

In the wake of the Covid-19 pandemic, the way we operate already looks very different. Not only do our hands need to be sanitized, but every surface we come into contact with requires sanitation as well.

UltraGuard is a premium, 80% alcohol, unscented, topical sanitizer that is safe to spray both on the skin and over surfaces.

Meets all FDA/CDC regulatory requirements and is made in the U.S.A.

USE ULTRAGUARD FOR:

- ◆ Hands
- ◆ Stores
- ◆ Offices
- ◆ Churches
- ◆ And more

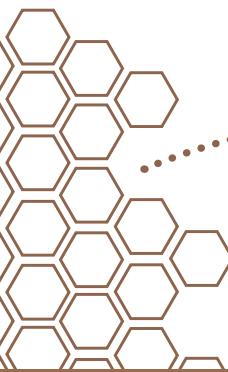

SAN1 | 1-GALLON | \$35.00

SAN4CS | CASE OF 4 GALLONS | \$135.00

SANPUMP | PUMP | \$5.00

(Pumps are ONLY for filling smaller vessels for dispensing the product. The pumps dispense more product than would be wanted for regular "hand disinfecting station" use.)
