HANDCRAFTED WITH CARE for a better world

These unique, framed, embroidery pieces are intricately handcrafted by artisans in India using a traditional technique known as chikankari.
With the introduction of computerized embroidery machines, many jobs in the textile industry have become obsolete. The production of this beautiful art creates job opportunities and allows for this traditional art form to be passed on to new generations.
Each piece is as unique as the individual who created it.

Cette unique broderie encadrée est réalisée méticuleusement à la main par des artisans en Inde en utilisant une technique traditionnelle connue sous le nom de chikankari.

Avec l'introduction de machines à broder automatisées, de nombreux emplois dans l'industrie textile sont devenus obsolètes. La production de cette magnifique forme d'art crée des occasions d'emploi et permet de transmettre cette technique artistique traditionnelle aux nouvelles générations.

Chaque pièce est aussi unique que la personne qui l'a créée.

Fabriquée à la main avec soins.
