M E E T O U R DESIGNERS

Defining style and fresh perspective are the two things that A&B Home Inc. strives to find with our feature designers. We know that people gravitate toward a variety of interior designers, so we partner with those that can assemble collections that are bold and charismatic.

CLASSIC WITH A MODERN ZING

Anthony Venetucci

Anthony grew up in Connecticut. After studying design and business, Anthony joined the family real-estate development business, which included the purchase of an historic, 51-room shoreline Inn. Purchase of the Inn proved a defining period for Anthony. He managed the on-site event planning and daily operations. This effort included interior renovations of all the guest suites, common areas and event spaces. In 1999, Anthony challenged himself again with his first retail store in Essex, Conn. Anthony was inspired by artisans in Mexico to venture into manufacturing. He started an import business and quickly expanded into a full collection of garden décor, called Venetucci Imports. In 2009, Anthony decided to concentrate on his Westbrook, Conn., retail store. It was transformed into Venetucci Home, a 12,000-square-foot destination retail experience. In 2012, he added a second boutique location in Newport, Rhode Island, where he relocated.

Her trendsetting designs are synonymous with glamour, eclecticism and British humour. Abigail began her career in interior design in the States, with a portfolio that spans lavish residential properties to the Ritz Carlton Palm Beach hotel detailing in bronzes and gold's, but more than anything the vibe is soulful – laid back and totally cool. Abigail runs international Design Master classes in London, NYC, LA, Sydney & Melbourne teaching her design wisdom and philosophy in an all day event. From the art of creating seductively stunning interiors, to clever styling tips, creating luxury on a shoestring and discovering beautiful colour palettes, Abigail instils everyone with the confidence to be fearless when decorating.
