No-Maintenance Nature

Faux botanicals are rapidly becoming a mainstay in interior spaces. These natural elements accentuate a variety of styles and require none of the maintenance required by live plants. A&B Home was founded as a wholesaler of faux botanicals, and we take great care in producing meticulous replications of nature.

This season, our faux botanical offerings range from bold tropical leaves to vibrant delicate florals. You'll find best-sellers like our fiddle leaf fig selection (Page 64) and topiary accents balls (Page 74), as well as our growing assortment of succulents. We paired our botanicals with other A&B Home accents to provide ideas for use and display.

All A&B Home botanicals are available online at www.abhomeinc.com, and are displayed in our permanent domestic showrooms in Atlanta, Dallas, High Point, and Las Vegas.

A World Surrounded By Elegance

Inspired by the rich colors of the Renaissance era, we offer Peonies and Chrysanthemums in rich hues and contrasts of color. Fern fronds, eucalyptus, and other greenery enhance deep contrast of color, creating pure elegance.

Peony and Chrysanthemum

The Peony and Chrysanthemum are both dramatic and dominant in their appearance. These "scene stealers" create a lush table scape or nosegay. Place a single stem into a vase for dramatic simplicity.

Our weeping grass bush collection can be used in many ways. You can hang them on the back of a chair, on the door, or over a chandelier.

These bushes are low maintenance and can easily be cleaned by using warm water.

Bind several weeping sprays together and place over the chandelier to create the illusion of a lighted plant. This natural accent will bring energizing green into the space.
