Life Outdoors

Like interior spaces, gardens can be functional as well as decorative and can reflect a myriad of styles . Outdoor spaces are utilized for entertainment, relaxation, aesthetic pleasure, and to grow produce. The garden furniture and décor in our Spring & Summer 2019 Garden catalog facilitates the various uses of outdoor spaces .

The pieces in this catalog are each designed to enhance any outdoor space. Our best-selling Zen Bowl fountain (Page 12) exhibits the tranquil sound of running water, and outdoor lanterns and LED string lights illuminate the outdoors after the sun sets . New additions to our garden collection include sets of textured metal pots (Page 91) that compliment any plant.

All A&B Home garden décor and furniture is available online at www.abhomeinc.com, and is displayed in our permanent domestic showrooms in Atlanta, Dallas, High Point, and Las Vegas .
