Home Accents contribute a final layer of detail to a room. This second home accents volume includes subcategories Accessories, Tabletop & Kitchen, and Candles, LED, & Holders. Spring & Summer 2019 additions will reflect fresh materials, prints, and shapes.

The selenite pieces on pages 110-113 are soft and elegant. Our ever popular rustic aqua and cream dinnerware is now available in sets of sixteen (Page 262). We've expanded significantly upon our decorative boxes and trays, including designer Anthony Venetucci's sets of boxes on pages 124-127.

All A&B Home home accents are available online at www.abhomeinc.com, and are displayed in our permanent domestic showrooms in Atlanta, Dallas, High Point, and Las Vegas.

A clear glass jar with a decorative lid and a vase with greenery. The jar is the central focus, featuring a faceted lid with a spherical knob and a body with vertical ribbing and a scalloped base. To the left, a glass vase holds a green plant with thick, rounded leaves. The background is a blurred outdoor scene with a tree and a building.
