# Aesthetics of Light

Lighting comes in various forms and functions and can completely alter the look and feel of a space. A&B Home offers accent and statement lighting that is designed to work harmoniously with other interior elements. Our lighting includes mounted, hanging, and standing fixtures that reflect some of the materials and styles used in other product categories.

We've expanded upon popular styles, like our white-washed wood chandeliers and gold-finished floral-inspired pieces. New chandeliers on page 99 are fitting for illuminating retro, modern, or urban spaces. Our best-selling Two-Light Wall Sconce (Page 111) serves as time-worn wall art as well as accent lighting.

All A&B Home lighting is available online at [www.abhomeinc.com](http://www.abhomeinc.com), and is displayed in our permanent domestic showrooms in Atlanta, Dallas, High Point, and Las Vegas.
