HUGE SIGNS

Perfect above a couch
or gallery wall space!

We woke up.
We are healthy.
We have clothes to wear.
We have running water.
We have food to eat.
Life is good.
We are thankful.

Life is too short to wake up
in the morning with regrets.
So love the people who
treat you right and
forget about those who don't.
And believe that everything
happens for a reason.
If you get a chance, TAKE IT.
If it changes your life, LET IT.
Nobody said that it would be easy,
they just promised that it
would be worth it.

Love grows best in little houses,
with fewer walls to separate.
Where you eat and sleep so close
together, you can't help but
communicate. And if we had more
room between us, think of all
we'd miss. Love grows best in
houses just like this.

Good things come to
those who BELIEVE,
BETTER things come to
those who are PATIENT,
and the BEST things
come to those who
DON'T GIVE UP!

Handmade Signs Disclaimer: The product(s) you receive may vary slightly in size and shade from the picture due to the nature of handmade wood signs. All stain colors may vary slightly. Please be aware that wood naturally has defects. There may be knots, wood grain, cracks, missing chunks, and natural imperfections in your wood. Many of our signs are given a distressed finish which may vary from sign to sign. This adds to the character of your piece and makes it unique to your customer. We hope you love our signs as much as we do!
