ACCENT FURNITURE

Our benches feature 100% hooked wool tops on Amish made hickory bases. Include them in entryways, bedrooms, or anywhere you want to sit in style.

Always popular, our footstools feature hand-hooked wool tops with wooden bun feet.

With a sense of classic Americana, our hand-hooked wool chair pads add warmth to any room.

The Great Outdoors

Our designers are passionate about the outdoors and connect with all who love woods, lakes, oceans and rivers. Camps big and small, and beachside bungalows are where those folks yearn to be. Surround them with their dreams.
