REMEMBER WHEN DAD WAS THE CHEF FOR FAMILY & FRIENDS

Homemade is the greatest compliment you can offer to family and friends, our recipes make it easy for you to serve wonderful tasting Homemade.

Home BBQ's are a great opportunity to share good times together, let Dad be the chef. Let us help you to celebrate a simpler time by throwing a memorable Retro BBQ, decorated with Red & White checkered tablecloths. Pack it all up in the back of the family 'Station Wagon' and celebrate a tailgate party at the park, by the beach or in your own backyard.

What could be more ideal than sharing a feast prepared on your own grill with family and friends. More challenging dishes such a Beer Can Chicken can be easily prepared with our blends, no more are you limited to burnt Burgers and Hot dogs, today grilled vegetables and other ingredients are more common for healthier dining.

Summer is Barbecue season, but is also salad season, perfect to go with your barbecue for a healthier side dish. Made with fresh ingredients from your garden or from the Farmers market. We add the taste to the basics in your pantry, for the freshest Homemade Salad Dressing you have ever enjoyed and shared.

Pasta is a classic go to for all families, we supply our unique blends of 'Herbs & Spices', all the taste ready for you to mix with your fresh tomatoes, tomato sauce and other easy at hand quality ingredients for the freshest, tastiest Homemade Pasta Sauce.

S'Mores the perfect finish to your family BBQ or just to enjoy with family and friends, prepared and served in our Cast Iron Skillet complete with all ingredients.

New Drinking Jar gift packs filled with our refreshing Summer Drink blends and Rim Trim for your glass. Each kit features two printed Drinking Jars and Gourmet du Village drink mixes with easy recipes to enjoy year round. Available in Margarita, Sangria and Bloody Mary/Caesar varieties.
