
RAINE & HUMBLE
2020

Raine and Humble owner and designer, Kerry Bower's designs andcolors continue to be inspired by nature. The January 2020 collection, "Gone Wild" symbolizes the importance of nature and the wild in our lives. The Cheetah, though a symbol of speed and strenght also represents flexibility and adaptability: important traits for today's world.

The Raine and Humble cheetah is in motion and on trend. Muted tones of blues, grey and mustard blend with any home decor while adding a bit of playful sophistication to many rooms in the home.

The colors and patterns of the core pieces of the new collection: stripes, spots and soft textures, blend seamlessly with the colors and patterns of the Abby Bee Collection (2019).

The Raine and Humble misson of earth friendly textiles and packaging continues with the use of recycled cotton, natural dyes and sustainable packaging.

Shortages and damages must be reported within 15 days of receipt of goods. Please check orders immediately upon receipt. If a problem exists, please call toll free and provide us with invoice number, date of shipment and any other pertinent information to help facilitate a solution. Resolutions will come by replacements or credits. Questions regarding payment of affected invoices should be directed to the accounts receivable department. Please check packing materials carefully to avoid accidently discarding small parts or pieces.
Count your boxes carefully and only sign for the number of boxes you receive. Check our packing list and see if you received the right amount of boxes. Occasionally one box out of a shipment will come a day or two later. If there is damage to a box, you must notate it upon receiving from UPS or Fed Ex. Failure to do so can nullify your claim. Call your local UPS or Fed Ex for a claim number. Keep shipping boxes for inspection. All non-defective returns must have authorization from claims department or customer service. All non-defective returns will have a 15% restocking fee charged and the customer will be responsible for return freight if the error is not ours.
