Peared Together

## Peared Together

Raine & Humble's Peared Together Range is about friendship, sharing recipes and entertaining in our homes.

Raine and Humble owner, designer, (and baker), Kerry Bower, crafted this play on words to express how, in all their varied shapes, shades and perfect imperfections, pears represent the wonderful differences in the people with whom we share our lives.

See how the warm tones of the Pear collection blend with the colors and patterns of the Abbey Bee and the Gone Wild collections. Earth tones of mustard, brown, stone and olive with additions of blues create a peaceful, relevant pallet for any home décor.

Raine and Humble's products are intended for everyday use. Carefree and comfortable, recycled cotton offer casual yet sophisticated home décor for kitchen, dining and living rooms.

**Let your customers know that using recycled cotton does make a difference!**

It uses significantly less agricultural land, water, and fossil fuels to produce and, creates up to 49% less air pollution than like production using new materials.

Let Raine and Humble make every day a little more special.
