FAIR TRADE

ETHICALLY-SOURCED FRAGRANCE INGREDIENTS

WHAT DOES THIS MEAN?

Fair Trade is a global movement ensuring that farmers in developing countries can compete and thrive in a growing marketplace by receiving a fair price for their crops while implementing fair working standards.

In turn, farmers are encouraged to adopt environmentally friendly practices, making their farms sustainable.

WHY DOES THIS MATTER?

For us, it's about being socially and environmentally responsible.

Root Candles Fair Trade
Ethically-Sourced Fragrances. Quality Candles.
Improving Lives. Protecting the Environment.

VANILLA

Raw, green, Fair Trade Vanilla enhanced with woody balsamic notes and a hint of citrus.

CINNAMON
BRANCH

Fair Trade Cinnamon Branch complemented with notes of aromatic spice and white blossom accords.

PATCHOULI

Fair Trade Patchouli enhanced by amber accords, on a leathery and spicy musk base.
