CELEBRATING our 150 year love affair with the honeybee.

Amos Ives Root was an innovator, entrepreneur and visionary. As our founder, he instilled the values of honesty, integrity, and “plain old hard work” throughout the Root Company. 150 years later, those values still remain.

It all started with a swarm of bees.

A.I. Root was inspired to start a beekeeping business when a swarm of bees landed on the window of his Medina jewelry store. That simple event created a company that has become synonymous with beekeeping, honey, pure beeswax, and the highest quality candles. Some even refer to the Root family as “America’s First Family of Beekeeping.”

The Root Company remains true to its past by focusing on what we know best - beeswax. Our filled candles are made with an all-natural beeswax blend. Our fragrances contain essential oils for a long lasting, aromatic bouquet that is always true to nature. A Root candle is clean burning, long lasting, elegantly designed, and luxurious. It is a candle burning experience unlike any other.
