## True Antiques and Vintage Items Available

Many of our customers don't realize that we have a treasure trove of true antiques and vintage items for sale! Yes, when we travel to factory fairs and shows, and look for new vendors, we buy stuff along the way. Whether it's a flea market in Paris, an old storage building in Delhi, or an old Christian church in Manila – we procure and find true antiques and one-of-a-kind vintage items to use on display in our showrooms and on photo shoots. We change these items out regularly, and eventually they are put up for sale on our website. Learn more at [VagabondVintage.com/Vintage-Found-Objects](https://VagabondVintage.com/Vintage-Found-Objects)

- Shop and order online 24/7 at [VagabondVintage.com](https://VagabondVintage.com) and use a shopping cart.
