- *Minimum Wholesale Order \$250
- *Ships from Atlanta, Georgia
- *Most items ship UPS or Fedex Ground
- *  = Ships Freight

Items marked with a Freight Truck Symbol must ship by common carrier on a wooden pallet due to size/weight. If your order includes a freight item it is recommended that you fill the pallet to help off-set the freight cost across several items (large & small). Freight charges for full pallets are often less expensive than shipping multiple boxes via UPS or FedEx. It is not recommended to ship only one freight item by itself.
