DESTINED TO BECOME A

Designer...

s.e.hagarman brings glamour to the stationery industry...

s.e.hagarman is a self-taught artist with a true passion for design. From a very early age she has been fascinated with fashion, architecture, monochromatic color palettes, and bold classic patterns. She gives her designs a vintage yet modern edge and always tries to think outside the box when designing her new releases each year. Her designs are all hand-illustrated for their stationery, cards, and growing gift line. Stacey has always been an artist, an inherited talent from her grandmother.

s.e.hagarman started in 2009 and has grown quite rapidly. Their designs are known around the world for being hand embellished with Swarovski crystals, delicate paper flower appliques, beautifully embossed paper, and a light dusting of glitter, which the talented staff at s.e. hagarman meticulously adorns to their cards and growing gift line.

They are currently in over 1,500 retailers: fine stationery stores, high-end gift boutiques, department stores, small gift shops and online retailers nationally and internationally. A few known companies that they sell to include: Wegmans, Neiman Marcus Online, Saks Fifth Avenue Online, Papyrus – NIQUEA.D, Wynn Las Vegas, The Biltmore Estates, The Ritz Carltons, The Hotel Hershey, Bashas, MYHabit, Harvey Nichols, GLOBUS, William Ashley, Clintons, ITOYA, Art Print Japan, and The Montage Hotels.

s.e.hagarman's success is attributed to staying true to herself, "swanky yet simplistic", which is also their company's tag line. It's her mantra for both business and life that she shares with others, "If anyone has a true passion, dream big, think positively, follow your heart, and don't let anything stop you."
